STOCK, CROP AND FARM NOTES.

—Mr. J. M. Hall refused an offer of six and one-half cents for his fine bunch of fat cattle.

—J. Elder Boardman, of Little Rock, bought of J. M. Brennan, of near Paris, 62 head of 1,325 pound cattle at \$5.60.

—The South Australian Government recently purchased one thousand six hundred acres of land for the purpose of encouraging and demonstrating the best methods of dairy farming. A Government expert is to have charge of the farm.

—An old swindle that is being tried on the farmers again is that of selling them a new and wonderful kind of wheat and bining them by contract or return to the man (who thus places himself in a way to get rich) a certain number of bushels of the grain next year. Look out for him.

—A farmer in Ohio has started a skunk farm. The plans are to sell the fur and the oil. But the strangest kind of a farm is one in Mexico. The man-believed he was purchasing a paradise of roses but found when he got there that it was the reverse. All he could raise was game—if rattlesnakes, horned toads and lizards can be called game. He sells all these things to tourists and is making good even with such things.

Tait's Birthday.

The Winchester agreement made by the Burley tobacco-growers of the State was ratified by the officers of the American Equity and the Burley societies at the fair grounds in Louisville Friday. The entire crop is to be pooled with the Burley Society under the agreement. The union of forces will save millions to the growers, it is said.

Wright Breaks High Record.

Orville Wright, flying in his airship at Berlin, Friday, in the presence of the Empress, Princess Louise, Prince Adelbert and Prince August and a large party from the court, broke the record for high flying. He attained a height of 23 meters (765 feet). The best previous record for height, 155 meters, was made by Hubert Latham.

Relinquishes All Claim.

Clarence Lebus, President of the Burley Tobacco Society, has issued a card in which he relinquishes all claims to the bonus of \$10,000 which was voted him by the district board of the society at the outset of the attempt to pool the 1909 crop of burley tobacco. President Lebus says he turned back the bonus in order to remove all obstacles in the way of making this year's pool a success.

Woman Should Know.

There is no reason why every woman should be a housekeeper, but there is reason why every man and woman should admit that housekeepers are the peers of those in any other occupation. There is no reason why a housekeeper should with her own hands, do all her own work, but there is a reason why she should know how it should be done. There is no reason why every woman should love housework, but there is a reason why no woman should despise it.
